Description:

Private and Secluded! @10 Ac that just "Kisses" the Jefferson National Forest a short walk right across the road that will lead you to an abundance of additional hunting area. This is a great little spot to come get off the grid and get back to Nature. Already put in place in 2012 are a well and 2BRseptic, 2 water taps, plus the owner is including a 10000 watt generator. Wide variety of wildlife for the hunter or if you just love to animal watch. Superb little getaway spot to put your Mountain Cabin so you can come enjoy the cool air at @3600 ft elevation. Seasonal views of surrounding mountains, or with a little tree removal, you could enjoy the views all year long. Come check it out and see what Nature has to offer.

Addendum: Some info was taken from public records. Internet service is unknown, however, Verizon services seem to work pretty well there. Buyer to verify all to their satisfaction. This office does not hold escrow funds.
