Description:

VERY Unique property on BIG REED ISLAND. Small acreage, but very private and has 550+ feet frontage on the water! Buildable site out of the flood plane with septic and electric already on property. Not far from Hillsville and all the amenities, yet far enough out to feel like you are in the country. No neighbors and no restrictions. This one does not come around very often!!!

Addendum: Seller is in process of having the property brush-hogged and new pictures will be uploaded when this is done. The large tract of land beyond this property has an 8' easement along the soil road to access their property. This does not interfere with this tract at all.

Private Remarks: Some info taken from public records. Buyer to verify all to their satisfaction. Internet is unknown. Buyer to determine.
